Homestay

Experience cultural exchange and genuine hospitality while immersing yourself in a new environment and improve your English by speaking with your host family every day.

Fantastic families

Families are carefully selected for their warmth and genuine interest in the student's wellbeing.

Location

All homes are located close to public transport and usually 35 to 60 minutes travel time to the college.

Facilities

The student's bedroom will be furnished with a single or double bed, a wardrobe, a dressing table or chest of drawers, adequate lighting and a desk. If there is no desk in the bedroom students will have a space elsewhere in the house where they can study comfortably.

Meals

Breakfast and dinner are included every day. Lunch is also included at the weekends.

Internet

Internet access will be made available to students at the homestay but usually at extra cost. All students will have free unlimited internet access from our computer lab and WiFi service at school.

Other students

Many host families only accommodate one student but some families welcome 2 or more international students. When that's the case, we will make sure that there are no other students of the same mother tongue in the household.

Laundry

Bed linen and towels are provided by the host family. Students usually wash their own personal clothing using the host's appliances and with the host's assistance. Ironing, handwashing or dry cleaning are in any case the responsibility of the student.

Quality standards

We have a dedicated Homestay Coordinator who ensures that our students are always well looked after. We regularly inspect homes to ensure that the high standards are maintained. We actively collect feedback from all students about their stay with their host family to ensure that they feel comfortable and welcome.
